**"Gets-It" for Corns,  
SURE as Sunrise!**

Any Corn, With "Gets-It" on It, Is an  
Absolute "Goner!"

Yes, it's the simplest thing in the  
world to get rid of a corn. When you  
use "Gets-It," the world's greatest  
corn-remover. Really, it's almost a  
pleasure to have corns just to see

"Gets-It" Puts Your Feet in Clover.  
them come off with "Gets-It." It just  
loosens the corn from the true, flesh,  
easily, and then makes it come "clean  
off." 48 hours ends corns for keeps.  
It makes the use of tape, corn-squeez-  
ing bandages, irritating salves, knives,  
scissors, and razors really look ridiculous.  
Get rid of those corns quickly, surely,  
painlessly—just easily—with "Gets-  
It." For warts and bunions, too. It's  
the 20th century way.  
"Gets-It" is sold by all druggists,  
25c a bottle, or sent direct by E.  
Lawrence & Co., Chicago.

Sold in Cookeville and recommended  
as the world's best corn remedy by

**MULE SALE**

**BUY MULES AND GET RICH**

**Cookeville, Monday, Nov. 22nd**

30 head, nearly all in pairs, yearlings and 2-year-old; nearly  
all gentle and easily handled

These mules were raised in Illinois, just over the Ken-  
tucky line, and while they have plenty of bone and  
weight, they also have just as much finish as our Tennes-  
see or Kentucky mules.

We have handled quite a number of loads of these  
mules in the past, and find that they give better satisfac-  
tion than any mules we have ever handled. These mules  
were specially bought to suit the farmers of Putnam  
and adjoining counties, and were bought by one of our firm  
who ought to know what would suit them. Then come  
to the sale, rain or shine.

NOTICE—On the same day we will buy every mule  
we can that is worth the money. Bring your mules and  
sell them and buy an extra good young pair.
